Yes, we the members of Bharatiya Vidya Bhavan, Valanchery will continue our journey of success to mould the young minds into well balanced personalities with confidence and sincere rendering.

A shocking news we faced at the beginning of this year 2023 was the tragic demise of our former secretary Sri.T Balachandran Unni, He was the Secretary of our Kendra during 2007 to 2021. His involvement to uplift our institution during the past 14 years was meritorious. He was actively involved in the activities of our Kendra up to his last breath. His death is an irreparable loss to our Valanchery Kendra. He possessed a unique personality. He speaks less but thinks and acts more. He was able to say right things in right time. He was a man of great intellect vision and courage who contributed immensely for the progress of our school. He dedicated himself for a better future of our institution and touched the lives of all the members in Bhavan's Valanchery Kendra. His unexpected departure is obviously a great loss. But it should be accepted.

On this memorable occasion as we recount our success with pride and happiness, we wish to dedicate all our achievements to the committed effort of a dedicated team called Bharatiya Vidya Bhavan's Valanchery. We humbly salute our visionary leaders of the past and the great ones of the present and seek divine grace and blessings to guide us in all our endeavours.

The constant support and guidance provided by our management committee headed by its chairman Dr. P M Varier, vice chairman Sri. T M Padmakumar and Sri. P Rajendran, Secretary Sri. M Unnikrishnan, Treasurer Sri. V P Achuthan and all the executive members of the managing committee who involve themselves sincerely and whole heartedly in all the activities of our school which are always imprinted in our memory.

I shall be failing in my duty if I do not express the dedication and sincere efforts of the teaching and non-teaching staff of our institution. Their committed endeavour in the concerned fields are truly tremendous for the success of our institution.

My sincere and whole hearted gratitude to Smt. Shylaja Sukumaran, Our Academic Supervisor, for her strong support and tireless co-operation towards the day- to day activities of our school.

The creative criticism and the suggestions from the parents, constant and sincere efforts from the teachers could be combined as the success formula of our institution.

Borrowing the precious words from Dr. APJ Abdul Kalam,

KILL THE DISEASE FAILURE

Seeking the blessing from Almighty to guide us through
the right path in future,

Here I cap my Pen.
